“ *Sheila was a very close friend of mine it was good friends at first sight. I will very much miss her smile. Sheila was very kind hearted and she enjoyed her life. Watching Sheila deep fry her chicken for the cookout taught me a lesson about putting something extra in the pot while the chicken cooked which helped the chicken cook to become pretty brown and delicious. Whatever Sheila could do for you she did it. Once you're her friend you are her friend to the end. To sum it up, Sheila was a very good person to know.*
