“ *Sheila had so much light, life and love inside of her and she was so generous with it. We worked together at the food bank and she was truly the heart and soul of the place - always welcoming, understanding, and loving, literally to everyone. She reached out across any differences we had, always with a smile and a laugh. She treated everyone like she was their mom, sister or best friend. I'm so sorry that your family is going through this loss. She was so so special and I will always remember her.*
