“ I used to work with Shelton in DC and was in the Army Reserves with him. Shelton was a fun guy to be around. Today is the first time I found out he passed and was sorry to read about his passing. RIP

“ My Dear Uncle Shelton,
It is very heart breaking to know you are no longer here with us. I never had to question your love for Erick and I. You definitely always showed us love. We love you and can't wait to see you again.

“ My Dear Brother:

I can't describe how I feel at this time. You have always been a constant in my life and there for the family. You cared and shared so much. I respected and looked up to you, you were my hero.

I miss your easy smile and laugh, I miss hearing you say, "How is my sister?", "You take it easy now" and I miss your bear hugs. I also miss those rare occasions, of you asking me for my opinion on things. You made a tremendous impact on my life.

Your presence I miss, your memory I treasure, loving you always, forgetting you never.

Rest in peace by beloved brother...see on on the other side.

I was in shock when I got the call that the Lord had called you home. I was so glad to see you at the Reunion I last year. I will treasure the picture we took together. Rest my beloved cousin. I will miss those rear occasions seeing you. Louise
