“ Hi mom I blame my self everyday I knew something was wrong with you even though you said you were fine. I didnt want you to get upset with me so I didn't force the issue. I think if you had the bloodtranfusion you would still be here with me it would have been our secret.. Sorry I didn't fight harder with sonja. I realize that you had other medical problems but i belive we could have won you a fighter.##imported-begin##Tammi Chamberlain##imported-end##

“ Hello Jane,

I am at work and thought I would drop you a note while I'm sitting here thinking about you. I love you and I will really miss you. But your spirit will always be here with me. I remember when you used to live on Mass Avenue in those apts. that my Dad used to owned and I was always knocking on your door and you never turned me away and I thank you for that. I was just ten years old and you fixed me your specialty, it was spaghetti. I also would like to thank you for all the support over the years you was always there for me, at every event, graduation, party, baby shower, anniversary celebrations you where there in spite of your religion you came for your neice and I thank you. Love you always and forever. You are at home now and in peace and I know God is looking over you and I see you when I come home.

LOVE,

YOUR NEICE

“ FIRST I WANT TO SAY, HAPPY B\\'DAY, IF YOU WERE HERE, I WOULDN\\'T BE SAYING THAT. NEVERTHELESS, THAT IS WHAT I FEEL. THE ONE THING I DID LIKE ABOUT YOU, IS THAT YOU WAS REGULAR, NOT PHONY JUST BECAUSE OF YOUR RELIGION. I REMEMBERED WHEN YOU LIVED ON 13TH STREET AND WE CAME OVER, NOT SURE WHO ELSE IT WAS THANKSGIVING DAYA JEHOVAH WITNESS WAS WALKING BY AND LOOKING AT US AND YOU SAID \\\"IT\\'S JUST DINNER. YOU SAID THAT TO US HA HA!! THAT\\'S RIGHT, IT WAS JUST DINNER. YOU WERE MAKING THE MACARONI AND CHEESE. THE WHOLE DINNER WAS GREAT.

I LOVE TALKING TO YOU THIS WAY, SAYING THE THINGS THAT I DIDN\\'T GET TO SAY TO YOU. MAKES ME FEEL CONNECTED. GEE, I THOUGHT MISSING DAY WAS BAD, BUT I REALLY MISS YOU, NO JOKE. I HAVE YOUR PICTURE IN A PRETTY FRAME IN MY BASEMENT. YOU WERE DO PROUD OF THOSE PICTURES. YES, THEY WERE REALLY NICE.

I\\'M GOING TO GO NOW, CAN\\'T CONCENTRATE, SIMPLE TERRELL IS HERE AND GETTING ON MY LAST NERVE. TALK AT YOU.

LOVE YOU SO MUCH AND MISSING YOU EVEN AS MUCH.....##imported-begin##RUBY##imported-end##

“ Hi Shirl,

I miss you so, so, much. I miss the good times we have vacationed together, the dining out and watching you enjoy your food. We had great times together and I miss you but, it hurts that we did not know how sick you were. You always cared about others feelings not wanting to worry your family, so you thought. It would not have worried us, we are suppose to take care of each other, that's what family is all about. I think about the crazy time we had in Alaska the loudest table on board with laughter, the drawing that we each had done, the midnight snacks, and snacks that we all ate. I picture you now at Jerry's seafood eating up some food and drinking all the water on the table. I'm sorry that we didn't get a chance to spend more time together but, I will always remember the good times and the assembly last June 05 in Richmond when mother was let's just say very creative and a funny roommate. I'm happy you had a good time, I'm going to miss you. You are always with me in my heart. I wish we only knew your pain and suffering. I wish you could have been the miracle that doctors would have written about and saved your life. I love you and miss you.##imported-begin##Debbie##imported-end##

“ Dear Jane

As each day goes by I'm missing you so much, I wake up in the morning with you on my mind. I really wish we had talked the last time you called me and said that you haven't heard from me and I just wanted to say hi. I wished we talked more like the good old days, I really really miss you, I want you back. You will never be forgotten, wherever I go, you go.

“ My dear Shirl, I miss you so. I have my moments when I think of the good times and the sound wisdom you often give me and I just cry, cry and cry. Oh, how I am so sorry that we didn't talk enough. But I will see you again in paradise, when there will be no more sickness or death. The former things will have passed away. “ To My Mother

Thank you mom for all you have done, you made me what I am today,an independent caring individual, and a survivor. Before I was myself, you made me with love and patience, discipline and tears, then bit by bit, step by step you set me free allowing me to sail upon my sea the well within the headlands of your fears before I was myself you made me.

“ To My Daughter

Shirley it is not goodbye, but so long for now until we meet again. Because we have a guarantee according to John 11:25. He that exercises faith in me, even though he dies, will live again.

“ In Memories of My Sister Shirley

As your brother, I can say, she was a beautiful person and she loved children. Shirley loved clothes, she loved to eat, and dance. She was a very serious minded person, she and her daughter Tammi were like two peas in the pot, if you see her, you see Tammi. Shirley was sick but she never complained, in closing, I'm going to really miss her.

Love you sis, your brother Marvin###imported-begin###Marvin###imported-end##

“ *My Darling Sister*

*Shirley, I am going to miss your laughter, the fun we have on vacations as a family and the gatherings we share. It will not be the same without the people we love. I am so sorry that we can not travel to Rome together. I am really going to miss you, thanks for all that you have done for me. You will always be in my heart, I love you and I miss you. I'm so sorry that you had to suffer through your illness, but the pain you endured is gone. I hope to see you, dad, Maurice in the new system. I Love You.
