“ *To the family, thank you for sharing Nana with my family and I. Nana was there for so many special moments in our lives. We will NEVER forget the many laughs, the trips, fun and the weight gain reminders lol. I personally will never forget the time her and my husband shared a dance together and she let me know a young lady in her 90's still got it! We thank God for the time that He allowed us to have Nana with us. We send our condolences to the family. We love you all and continue to pray for you during this time.*
