“ I love you and miss you very much. God took you for a reason, he needed you to work in his safeway. I am so glad that you were my nephew and friend, I know I will miss you and the times you shook me and always wanted to borrow my money, but if that would have kept you here you could have had every dime I had. But God knows best. Mother is there to keep an eye on you, she use to look down on you, but now she can look at you.

love your Aunt
