“ *Our family lived Stefan. He was our mailman for years. He knew our kids and pets. He was friend and always a joy to be around. He always had time to have a conversation with you. Rest in peace my friend.*

“ *To the Wright Family. My deepest condolences from the Green family to all of you at this most difficult time. Stefan was a very special and kind person. I met Stefan and the rest of the family through my brother Eric and you all became our family. I pray that God wraps His arms around all of you and comforts you as you prepare for what lies ahead. Always cherish the memories and know that there will be days when you remember Stefan's laugh, something he may have said or just his smile and start to cry and know that its ok because that's the missing Stefan part. God I pray that you be their eyes as theirs fill with tears, be their hands as theirs may shake, be their mouth when they cannot speak, and be the God that eases their sorrow.*

*Again, my deepest condolences,  
Lori Green*
