“ I was saddened to hear of Terri's passing. I have fond memories of Terri. Memories that span back over 30 plus years. I'm reminded of the times that whenever Terri and I had the chance to talk, it always resulted in gut busting laughter. I extend my heartfelt sincerest condolences to the family. A family that played an integral part in my life that provided me with wonderful times and memories. I shall keep you all in my prayers.

“ Dear Nadine, Jimmy Timmy and Family, Please accept our condolences and sympathy as you and your family grieve the passing of your loved one Terri Waters. It is during times of grief and pain that the people of God must help one another even more than in times of joy and happiness. We know this is a difficult time...and all the words in the world can't make things better for you right now...But we are sure you can find comfort in knowing how much we care and, more importantly, how much God cares. We mourn with you but we also rejoice in the knowledge that Jesus saves, and He came into your life not to bring death but to promise everlasting life. I pray that your faith be strengthened and that the love of Jesus provide you with every grace to overcome this hour and live into the rich future that Christ alone can give. May you and your family be blessed in the Lord's goodness and mercy now and forever, With much Love, Lynn Davenport
