“ *I am a Bible student extending my condolences to the family on the loss of your loved one. May you cherish the memories you have and keep it in your heart.*

*(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.*

*You have my deeest symphathy.*
