“ *Dear Family,*

words can not express the sadness we felt in learning of the loss of your loved one, Theresa.

We have come to know of her through his son, Stephen.

Stephen talked about his mother and of his desire to meet her one day. He was just steps away from finding his beloved mother. How sad it was for all of us to learn of her death.

Our sincere condolence to all of you. May God give you peace and confort!

Angela, Rosanna and Family.

“ Although I received the information about Theresa late, I want to send my condolences and love. Jesus uses all of us for his purpose and we return by to Him. Theresa went from time to eternity. In eternity there is no more time, sickness, pain, and death. I could not make the funeral service, but I send all of my love to everyone.
