“ *My sympathies to Theresa's children, grandchildren, and friends. I hired Theresa at EPA many years ago, and she was a wonderful person and a hard worker. She took on many important projects and they always turned out perfect. She liked keeping busy and I deeply appreciated her commitment to her job. I also enjoyed talking with her and hearing her stories. I hope that Theresa's friends and family have wonderful memories of her. I certainly do.*

*With love and sympathy,
