“ *I worked with Tom at the US Hydrographic/Topographic Command in Bethesda during the '80's. Big Redskin fan and he would let us know all about the game come Monday mornings. I remember he got a new Olds 98 and that was the car like none other. Tom knew his mapping stuff, I learned quite a number of things from him and made good use of them in my career. I remember our group in the office. It was George Bauer, Bernie ??, Ray Tapscott, John Dolan, and Warren Saffell. We had the honor of putting the first agency "map compilation production package" together. This group was famous for finding the "all you can eat" lunch places and that was under Tom's leadership. We did eat well at lunch. Sorry to hear of his passing, he was really a great friend and co-worker. Dennis F. King, Chevy Chase*
