“ *Hello Earline, I tried to reach you several times, but your voice mail was filled. I am so sorry to hear about Thurman. You and the family will miss him. But he will always be in your hearts. He will always be Thurman, as no one else can take his place in your lives, and the memories he help you make. May grace and peace be with you and your family. Love, Frances.##imported-begin##Frances G. Williams##imported-end##*

“ *There is not a day that goes by since you left to see god that we don't think about you or miss you. You left a hole in the hearts of the ones that love you but you will never be forgotten. You're in a better place and one day we will all see each other again and catch up on times lost and momentarily forgotten. We love Beaver!##imported-begin##Sadie##imported-end##*
