“ *Tim-Tim*

It's crazy I still look for my phone to ring at some odd time of the morning with you on the other end saying "I'm still breathing...don't cancel the wedding".

God truly Blessed me when he put you in my life. Seven years to the date I leave this note.Despite the drama we put ourselves through the love remained our bond is unbreakable and unexplainable.

I made you a promise I intend to keep.

I did not understand what you meant when you told me you had to go to reduce the pain factor...it's starting to make a little sense now. Ironic how God puts his hand on things we think we control.

It hurts that I can not have you here and the way you left devastated me.

It comforts me to know you are where you wanted to be for a long time, with your mommy free of pain and struggle.

Tears and laughs..we shared plenty.

Memories...wow...we have many, good, bad, and ugly. None the less it made us, us :

Like every seperation we endured I maintained by your words of promise and hope... "You are my heart,I am your soul".

I will forever hold you down.

With all the love I have for you...Until we meet again :-

Shaunie and Tim I am here for you indefinitely...whatever you need, I will try!!

Peace Love and Blessings

“ I had the pleasure of knowing lil' tim thru his membership at The Star of Bethlehem Church where his mother was a member also. He was a very real young man as he was funny and high spirited. I will remember how he use to chase shaundra around bothering her. To the family, there is nothing to hard for God. He will be there to wipe every tear. Be comforted in knowing that one day we will meet him again. We will always cherish his memory in our hearts...Forever!###imported-begin###Sheri Jones###imported-end###

“ *Its hard to swallow the fact that I have lost a brother. I will always remember the time spent. The day of spades, bowling, basketball, football and many more. Brother you are greatly missed.*

To my extended family I am sorry for what you all have to endure. The best advise I can give is for you all to grow even closer and stick together. There is a time for us all donâ??t waste it, to say later on I wish I had.

“ *Family,*

May God give you peace and comfort during this time of grief. We will all miss Tim Tim. He was a brother and friend to most. I will forever remember his smile and laughter during our conversations at my home or as I watched him chase Netanya, Najee and Nasiyah. It has been an honor and a pleasure to have known him. I thank God for the giving me a 4th brother in my life.
