“ My sincere condolences to family of Timothy VanBuren. Death pursues us all. It is never easy but especially when one so young is lost. It produces a pain like no other. The Creator will remedy this by doing away with death. This is a promise at Revelation 21:3,4. The Bible does provide a wonderful hope resurrection Acts:24:15 This is the hope which sustained me in the loss of my son. Again, my sympathies.##imported-begin##Lena Bey##imported-end##

“ *Dear Curle and Margie:*

Remember me: Irma, who used to live next door to India at 1920 Naylor Road. I was so sorry to learn of the death of your son/grandson. I know that nothing in this life prepares anyone for the loss of a child. Knowing this, I ask that the Lord Jesus Christ will comfort you during your time of sorrow. May God bless your family.##imported-begin##Irma M. Johnson##imported-end##

“ To Curlie Yates and Crystal VanBuren: You have our deepest sympathy and you are in our prayers. This is still just unbelievable to us. I just saw Tim at the football jamboree in December and he gave me my hug as always and we spent some time together. He looked wonderful and was so excited about the future. Timothy and Curtis have been together since first grade at Mt. Calvary. Tim was so personable and knew no strangers. We loved him. Crystal, Ted sends his sympathy and he will be talking with you. Tim will forever be in our hearts.

“ I still can't believe it. I have known Timothy since he was little and we Myself, Darin, Michael, Crystal all went to OLQP together. I got to see him grow when we were both at Mt. Calvary and looked in disbelief at how grown up he was when i saw him at McNamara. I just want to say to the family from the bottom of my heart I am so sorry for your loss. Timothy was a sweetheart and that is something that i will ALWAYS remember about him. Whenever i saw him he had a smile or a wave or a "hey" for me. I really regret that it had been so long since i had seen him. My prayers are with your entire family during this time.

“ I was sitting here thinking of Tim at a young age and how I used to call him my boyfriend back in the day. And then I turn the page in the paper and see him in his little firefighter outfit from back then, the way I remembered him. So young and adorable!! To all of you, Ms. Yates, and Crystal..I am truly saddened and sorry to hear about your loss. My sister, Mahogany Dixon and mom, Joyce Dixon send their sympathy as well. If there is anything that I can do, please do not hesitate to contact me. Reuniting under such circumstances is never easy, but I love you and miss you all.##imported-begin##LaTanya Harper##imported-end##

“ Tim,
We met in high school
Now we will be cool
Forever!!!
We been thru our ups and down
But every time we hit the ground
We got back up
Not giving a WAT
Not what people say?
About our strut
How we walk
With our heads up
And standing tall
It's hard for us to stay strong,
Were we think we belong
But we know
Even with them
We think of each other
You say I?m like your bother
You're like my sister
And that all that matters
And we don't care about all that chatter
But they know not to step to us
Knowing that we won?t ever cuss
We won?t get mad
Cause that aint us
All we do is brush
Them off with the dust
Off our shoulders
Cause aint no one colder
Them us we cool
So cool so clever
With bending the rules
And we will be friends
FOREVER

love u alwayz
