I didn't see this one coming, still seems like it can't be real. I miss you, I'm so happy I got the chance to really know Tracy. I saw her in happy times as well as sad. I've watch her grow into a beautiful woman mother and grandmother. Skye and the girls were her world. There was never a question on her devotion to family she was the glue that held this family I truly believe that. I will miss Tracy for the rest of my life. Tracy had a pure heart is never seen her judge anyone always says to each their own. She checked on me almost daily until my daughter in law of my heart passed on the 15th. She wanted to give my family time to greive. Now as I look back I really wish she had still been coming at random times of the days now I will never hear that knock or late night call to see if I'm still up she just wanted to chat I loved that more than I knew. The mere thought of Tracy not being among us in person is such a hard pull to swallow. I'm blessed to of gotten to know her since her Daddy passed years earlier. I will carry my memories for the rest of my days and as for Luna, Rori, Nova I'm always your Auntie and my home is also theirs forever and when asked about their Monte I will have a lot of stories for them. RIP Tracy I love you and I really miss you. Yes Chris (Mike) and I can still see you sitting in the porch when we look up.

“ *Happy Birthday Tracy,
I never had the pleasure of meeting you. I attended your transition service primarily to support my Sister in Christ, your Mother, during this time of bereavement and mourning. However, I was blessed to learn so much about you, thanks to your beautiful family and friends who spoke so well of you. You are indeed loved and are sorrowfully missed.*

Patricia Williams, my Sister in Christ. We, your Brothers and Sisters at Christ Missionary Baptist Church love you and are with you! When you rejoice, we rejoice. When you weep, we weep also.

“ To my big cousin, I don't think I can ever remember a time where I saw you and you didn't make me crack up laughing. I'll never forget your smile, or you always telling me and my sister how pretty we are. You said things I needed to hear and probably didn't even know how much I needed it. I love you so much!!! You will truly be missed. Love, Ayatta

“ Hello everyone, i want you to Improve your credit score by going for a perfect credit repairer who will improve your credit report and expunge all your negative items permanently. One of the fastest and safest way is to hire a professional credit score specialist who can lawfully and economically re-establish your credit score and remove negative items. I was able to employ HACKER PAUL MIKE (HACKE RPAULMIKE@GMAIL.COM) who helped me erase all bad items permanently. He was also able to remove damaging items like evictions ,school loans from my credit file! Right now I have an 826 Excellent score and all my debt have been paid off. You can also reach him on 7206630651, i bet you would also come back and testify.

“ My sympathy to the Williams family for the passing of my co-worker and friend Tracy. She will be truly missed by me. She is a wonderful grandma and great, great mother to her daughter whom she would do anything for, and also cared for in her time of need. Tracy shared her emotions with me on several occasions because she knew I would listen with no judgements. S.I.P beautiful Tracy.
