“ *That’s one of my favorite babysitter’s. I was told he was the only one that would make my english muffins at 6am as a toddler. He was always kind and soft spoken. I just remember his voice when he and my dad would sit and talk when we came to visit in the summers. May he continued to be blessed and my prayers continue for the family. Love Jacob Jack*

*That's one of my favorite babysitter's. I was told he was the only one that would make my english muffins at 6am as a toddler. I would be in rare form when Ronald (my daddy) would drop off before work. He was always kind and soft spoken. Just like all the Jenkins men. They worked hard, took care of their families, and stayed to themselves. I just remember his voice when he and my dad would sit and talk when we came to visit in the summers. May he continued to be blessed and my prayers continue for the family. Love Nikki Thomas (Jenkns) ❤️🙏*
