*I've known Usha for over 60 years.  
She was the sister of my dearest friend, Anita Tate Ibbott.  
Usha was always wearing a smile with that soft dignified demeanor  
whenever I would visit their family.  
I loved Usha like a sister, eventhough I had 2 sisters of my own. She  
had that special smile and and unique soft voice that would always  
make her disquenishable from the rest.  
Usha, I will miss you and will always keep the memory of how you  
called my name so uniquely.  
A combination of a soft whisper with curiosity.  
Good bye Usha, will always love you.

*Usha Keene aka Ms U, as known to my family especially my grands❤️  
❤️ You left a lasting memory of nothing but love to us all. Your smile  
your kindness, always there to step up and do anything you could do.  
You were my only friend here in Waldorf when I moved down here. You  
didn't know me but was here to welcome me here in our development.  
Everything you've done was from the goodness of your heart. I've  
missed our walks and talks. On the day you passed a bird came into  
my house. I know it was only you stopping in to tell me you will see me  
on the other side. I know in my heart you are free. Fly high my Angel, I  
will always love you my friend/sista of ❤️❤️❤️. Your MOOMOO AND  
CARLEE say they love and will miss you 🥺👉🥺👉 Love always TONIE  
and Family. Prayers and condolences to your beautiful family. 🙏🙏🙏*
