“ Trinita and Family,  
It's going to be hard to come over and not see your Mom smiling and gentle face. When we learned of her passing the world became a little colder. But to know to be absent from the body is to be present with the Lord made it a lot better.

We may be neighbors but I considered your Mom, you, Tim, the boys and Grands as family. There's nothing to great you can ask for that I will not provide.

Rich and I have traveled this road and some days will be hard and some tolerable but rest in the Lord's words to see you through.

Rich, Stranjae' and I expresses our deepest condolences during your time of sorrow and we pray for God's Grace and Understanding over you.

Sincerely,  
Ivory-Boynes Family
