“ I remember a very sweet and kind spirit residing on the inside of dear Velvet. I might also add a very gentle spirit too. Those are the kind of characteristics I sometimes wish would be more prevalent in the world today! Even though I have sensed her presence around me, still Velvet is already greatly missed...

“ Ve)vet was "mommies" girl. She)oved her mom and she loved her mom's dog Zeke. They would often snuggle up in the bed together and watch T.V.

Velvets home going is very special. She will never be in pain of any kind. She is completely whole in body spirit and mind.

She will be able to worship laugh and dance at Jesus feet.

*As It has not been given to us to understand

But Amazingly we can place our hearts 💕 into His nail pierced hands and*

Lay Our Burdens Down.

Velvet we love you and will always miss you Yet we rejoice that you are home and not alone

“ Velvet Kornegay was absolutely loved by her mother, Tawanna M Brooks, and family. There wasn't one day that Velvet was not seen by Tawanna's side, whether Tawanna was out on business, or at home. Velvet could be stubborn and sweet at the same time, but she was always loving. She will be missed . Philene Vear
