“ First, my condolences to her Beloved Archie and the Pittman-Paige Family. Mrs. Pittman-Paige has been in my life since 1997. I was her assistant when she was the Counselor at Randle. She became my mother later on and I was called little Paige by some and I felt honored. I call her Mother and not MS. Paige and she would call me daughter. I am going to miss her saying Hi Daughter. Morher, stood in my Mom place on my Wedding day 2009 because my Mom was admitted to Hospice and passed away 3 months later. I am so devastated and in disbelief that her presence is not here. I love you Mother. I will check on Archie from time to time. 🥺💕

“ We have lost a giant. Today I am reflecting on your wit and wisdom. Listening to all of the memories during your service I am reminded that I only experienced a glimpse of all that you offered this world. Thank you Hope, Markita, and Caprice for sharing a small piece of your beloved Aunt Verdelle with me. I love you and your family with the love of God. Hang in there. Joy will return.

“ We express our deepest condolences to the family of Mrs. Pittman-Paige. Mrs. Paige was such an loving and awesome teacher, as she shaped the lives of so, so many children. My life has been so enriched, and as my third grade teacher at Kingsman Elementary School, she instilled such a sense of self and confidence within me, which has followed me throughout my life. Additionally, she also extended herself after my elementary school years, as I was so blessed to have a loving and supportive relationship with her in my adult years as well. She was so supportive as I home-schooled my six children. We will always remember her love and dedication. "We were so blessed to have had you Mrs. Paige, and we will miss you. We thank God for your life and the deposit that you have left for us." Love, Jonathan and Juliet Wilkins & Family.

“ I was in high school when I met Verdelle and we had just moved to Red Springs. She quickly became my good friend and that friendship grew through college remained until her demise. She had a special way of calling me 'Cynt' that just warmed my heart because I knew she loved me back. I miss my friend and I pray for the family and friends that she has left behind and touched with that contagious smile and warmheartedness. May God bless each of you and may you find strength in your faith.

“ Words cannot express our deepest love and condolences during this time. Aunt Verdelle was more than an Aunt or family member...she was an angel, a confidante, a True Woman of God who was wonderfully made. She has truly earned her wings and I will forever hold her dear to my heart. As I used to say to her- I love her to the stars, because the moon isn't high enough.
