“ I'm so thankful for the time that Zip (Veryl) and I spent together while stationed in Anchorage Alaska. He was way more than a good friend. Brenda I'll always remember you and your Honda prelude "sweetie pie". Happy birthday Zip (7/29) if memory serves me correct. Jay Tucker.

“ To: Brenda Zanders, sons, daughters, parents, and friends of Mr. Verl B. Zanders.

I had the opportunity of knowing Verl over the past 29 years - knowing him as a dedicated Husband, Father, Civil Servant Federal Employee, and businessman. He was a man that I truly loved and respected. Firstly, because he was a Christian-he learned early in his life that Jesus Christ was the son of the living God - that he was born of a virgin, died on the cross to save us all from our sins, and arose on the third day and sitteth at the right hand of God.

Secondly, Verl learned early in his life what God's purpose was for his life - to fear God and obey his Commandments, love and care for his family, and to treat his neighbors as he would want to be treated. When Verl retired from Federal Service he called me and asked if I could assist him with his Section 8a certification application. We met and within 3 weeks after submission of the 8a application Z-Tech Corporation became a Section 8a business with the U. S. Small

Business Administration. Verl asked me to sit on his Board of Directors, where I was able to observe Verl and his staff implement policies and procedures that accelerated the firm's growth and development in the market place. Verl worked tirelessly and vigilantly to assure that his tenure in the 8a program would be fully maximized. Not quite a year ago, I received a call from Verl. He stated that he wanted me to be one of the first to know that he had sold his business - that the opportunity for the sale presented itself and it was time for him to take advantage of the opportunity. I congratulated him on the sale of his business, and wished him every success in whatever else he chose to do. He told me that he would continue to be active and involved in business and community affairs. Hearing of

Verl's untimely passing, I was sad, but I began to smile. I smiled because I knew Verl was a man who loved God, loved his Family, had accomplished his goals in the business world, and truly was a blessing to many people as he demonstrated his integrity, honesty, and outstanding character.

Verl has left me, and I know his family, friends, and many others, with a legacy and standard to live by - and I know that God said to Verl: "WELL DONE, THOU GOOD AND FAITHFUL SERVANT, THOU HAS BEEN FAITHFUL OVER A FEW THINGS, I WILL MAKE THEE RULER OVER MANY THINGS: ENTER THOU INTO THE JOY OF THY LORD." Mathew: 25-21.

Brenda, may you and your family abide and be conforted in God's blessings always.

Love Always,
