“ Prayers of Peace and Comfort to Sis. Lucille, Crawford, Rev. and Mrs. Chris Crawford and all of the Crawford Family:

What a testimony of family unity, love and strength you have shown and lived. As a loving husband and father, Bro. Vernell taught us a lot, and we thank God for his life. We were blessed to spend just a little precious time with him.

May you continue to be blessed with strength for the journey.

May God bless and keep you, may He cause His face to shine upon you and give you peace during your time of bereavement. Uncle Vernell stood tall among his family and we know that he lived a full life according to the plan of God. Sorry we couldn't be there with you but do know that God is still able to do exceedingly abundant above all we could ever ask or think. God Bless you all.

“ Auntie & Family: Beyond Life's Gateway, there is a open gate at the end of the road, through which each must go alone, and there in a light we cannot see, our Father claims His own. May the same God who has welcomed your loved one home, keep you in his care through this difficult time. Uncle Vernell we love you and we miss you!

“ Mr. Crawford was a true brother and friend that I respected and loved, Anyone would love to have an earthly brother like him. He had a sense of humor that was contagious and a heart of gold. It was a true blessing being part of his life and seeing his light shine in so many lives. I will miss him and his generosity and love toward others, even those he didn't know them well. May He rest in peace and may God bless his family. You will truly be missed. Love you brother!!

“ I remember growing up as a little girl in Van Wyck, SC, when Uncle Vernell would come home to visit, it was always a highlight for me. I would ask him all kinds of questions about where he lived and why he talked so different. He would laugh and call me inquisitive. When I grew up, I looked the word up. He always took the time to talk with me and answer my questions. Then he would give me two quarters, then look around quickly and say, “shhhhh, it’s our secret. Now can I go talk to the adults?” I would bob my head up and down, thank him for talking with me and for my quarters with a big smile. Before you knew it he would be gone again without having said goodbye. But I always knew he was coming back again some day. Now he’s gone and I know he’s not coming back again and still, I didn’t, wouldn’t, couldn’t say goodbye.
I’ll always remember you taking the time to talk with me as a little girl and not dismissing me. Thank you for making me feel important.
