“ First I'll like to say to his Mother and to everyone sorry for your and our loss. Your son was an amazing man and friend. This is so unrealistic. But I know you in a better place. Heaven couldn't wait for you. You was always there when I needed you for anything. I think that's why he took you so early because he needed him a best friend that's always going to be there with him. I really enjoyed every moment I shared with you. I'm going to miss you so much.

“ Vinny you was like the little brother I never had. Yes you use to snitch on me and Nell all the time. Use to be in the business like it was your own lol. I wouldn't change anything because no matter what your heart was full of love and compassion. I will always have a place for you in my heart and I will never forget you. Be the Angel I know you can be. Love you forever and beyond.

“ I will always love ❤️ you nephew. I used to babysit you and remember how you used to run and hit the side of your playpen trying to knock it over to get out. And your cry sounded like a motorcycle. I chuckle when I think about it. You grew into a man and a great father. You will be sorely missed.
