“ Vincent was my Angel, friend, brother, co-worker, mentor, teacher, life-coach, and hero. Through all of the challenges that I have gone through? Vincent was always there for me. When I lost my father 3-months ago, Vincent and another co-worker were the first people who arrived at my home in an effort of support. The Friday before he passed, he called me at work and we laughed hysterically? talking about everything from the Lord, family, music, work, his ? Turkey Fryer? story, my upcoming birthday, and IRS BIG/AIM events. Although Vincent is gone to be with his Father in Heaven, his spirit will live forever!

My prayers are with Peden Family during this extremely difficult time. May the love of Christ be with you now and always!!!##imported-begin##Judith Button & Family##imported-end##

“ *Words of Encouragement to the Family: As the new day dawns, we are given new opportunities to begin again, to start fresh in both new & familiar matters. Yet, as sunset draws near, realize that endings are just as important. Without the sunset, we can?t witness the magnificence of a new sunrise as it paints its vibrant hues across the morning sky.*

And just as morning turns into day & day into night, each new beginning inevitably leads to a time when we can savor a feeling of completion. How comforting to know that every ending will lead to a new beginning! Like the darkness before the dawn, the darkest hours will always give way to the promise of a new morning.

Every ending leads to a new beginning.

Peace & Blessings

“ I got to know Vince when I joined AIM in May 2005. Together, we talked about developing a substantive mentoring program for AIM members. With his encouragement, he gave me the freedom to be creative in developing what is currently called the Career Assistance Mentoring Program CAMP. This 9-month program was launched in March 2006 to great fanfare at the highest levels here at the IRS. The success of the launch exceeded anything we could have imagined!! Vince was especially proud of the fact that the National AIM Board wanted to use CAMP as a model for other AIM chapters across the country. We were in the process of planning the December Closing Ceremony for CAMP when God decided to call Vince by name to come on home and get some much needed rest. Though we will miss his earthly presence dearly, he will always be with his AIM family and friends in spirit. On a personal note, Vince will always be remembered by me as someone willing to step in and champion the cause for all those who had no voice. He was a Lion among men. In the words of the old gospel song, "Let the works I've done speak for me." Vince leaves a tremendous legacy and we are all very blessed to have been touched by his presence in some way.##imported-begin##Roslyn Brown##imported-end##

“ And God shall wipe away all your tears. Vince went out a "Class Act". He was a wonderful person, and he really touched your life in a special way. I am his AIM secretary, and I am happy that I was able to attend our AIM Fall Meeting the last week end of his life. It was a real fellowship for those who attended. He was really dedicated to "AIM" and other functions. I send my sincere heartfelt prayers to his wife and family. We all who knew him will truly miss him. Trust in the Lord and lean not to your own understanding. And scripture says "To be absent from the body is to be present with the Lord. Vince's life reflected that he loved the Lord--I truly believe he is with the Lord reaping the benefits of being saved. AIM members, let's continue the work Vince was doing. He would want us to carry on in a big way. To the family, may God continue to comfort and strength you thru your grief during this time and until you are reunited with him again. “ On behalf on AIM West Virginia Chapter I extend a heartfelt condolence to Vincent family. The first time I met Vincent in person, he had the deameaner of a dedicated AIM member with a purpose. I remember how he came to my co-worker and AIM chapter member assistance at the AIM Mid-Atlantic Regional conference in Philadelphia. My co-worker was unable to get her vehicle to start. We called on Vincent and he "jump started" her vehicle so we were able to make it back to West Virginia. I've emailed and spoke with Vincent many times prior to and after my meeting him regarding AIM related questions. He was always polite, and had answers. The last time I spoke with Vincent was after the Fall Council Meeting in West Virginia, the Saturday prior to the news. My last words to hime was to have "a safe trip home".
