“ Auntie Virginia,  
*Although we were not ready God decided to walk through his garden pluck one of his beautiful flowers and gave you eternal rest.*

*It is hard to believe that the angels escorted you into the Pearly Gates and took you home at a time we least expected. We hardly took in your sudden demise and your unexpected termination but the moments we enjoyed that are imbedded in our hearts with you are far more precious and greater.*

*You watched our family (Arthur/Crystal) grow and always gave us encouraging words, support and prayers. You were one of a kind and irreplaceable. You left a hollow place in our hearts that no one can ever fill halfway.*

*Auntie, you are a beautiful flower plucked from the flower bed to be a sweet-smelling savor in the presence of your MAKER. Sweet memories fill our heart. We will continue to remember the advice you found pleasure in sharing with us and it will forever be cherished.*

*Your benevolent smile lifted our hearts anytime you were near us. It's gone now! Never to come back until we meet again. You had a soft voice which was heard in your conversations. A glow in your eyes that always sent encouragement. We admired your wisdom in solving complex issues any time we sought your input. You were a true role model, and now we can proudly say that you left footprints in the sands of time.*

*Auntie, you were calm even when a situation seemed unbearable. Admittedly, we have lost a precious jewel; if death were stoppable, we would have kept it from coming your way.*

*Auntie Virginia  
We will miss seeing you in the kitchen preparing one of your delicious meals. You loved to cook and share meals with family and*

*friends. We truly enjoyed the days when you and Uncle Herman entertained the family at your home. Although those days are gone the nostalgic memories will be forever cherished.*

*I (Crystal) will continue to ask God for healing and peace for the entire family during this difficult time. The dash was so much more important than the end. God bless our family and give us peace that passes all understanding in YOUR PRECIOUS HOLY NAME!*

*Fare thee well Aunt Virginia,  
You fought a good fight and won the race.  
You left a legacy that will be read through the generations, current and to come.  
You left a mark in our hearts, and nothing will ever erase. It is indelible in our hearts.*

*You were an GEM and will remain to be cherished.*

*Surely Aunt Virginia, our love for you will forever remain.*
