“ *Ginny was a bright spot when we served on ALA Council together. Never saw her without a warm smile. My favorite memory was the afternoon we went shopping together in Chicago. So many laughs so many years ago! She just oozed love to everyone. I'm sure she is enjoying her heavenly rest which is well deserved. Prayers for her loved ones*

“ I have fond memories of Ginny. She loved to share the history of Delta Kappa Gamma (Alpha Chapter), and I loved hearing her stories. She will be missed. I will remember her many words of encouragement. She loved to send messages, and words to inspire you in leadership. Rest In Power Ginny. You deserve your peace. Those messages you sent to me. I will always remember. May you Rest In Eternal Peace.

“ Ms. Moore and I shared many times together, from taking her to the grocery store, visiting her doctor, getting her nails done, accompanying her to DKG meetings, etc. She was such an inspiration to me and left quite a legacy for so many.

*I am so grateful to have known her and she will be truly missed. May she rest in peace from her labors. For to be "absent from the body is to be with the Lord"*

“ I worked with Ginny when we both worked as Librarians at the Greenbelt Branch of the Prince Georges County Memorial Public Library System.  
She told me her amazing story of working in a factory (I think in the Carolinas), (under age), and tasting the product.  
I can not remember if it was pickles or something else.  
She also told me a boyfriend told her he loved her, but could not afford to support her shoe habit! They remained friends over the years.  
She was always so kind and would send you a Thank You note for the thank you note you sent her! She was also a Church Librarian and organized a popular program about How to start a church library program at your own place of worship. I will miss her.

“ My condolences to the Moore family. Last year, I reconnected with Ms. Moore and she was my sponsor for the Delta Kappa Gamma (DKG) organization. She was a very kind and sweet person. I met her at my church Mt. Carmel Baptist Church, Washington, D.C. where she was also a member.

“ I am deeply saddened to hear of the passing of Sister Virginia Moore. She was truly a sweetheart and will be sorely missed. For many, many years I worked very closely with her where she served as a member of the Archives Committee and other organizations at Mount Carmel Baptist Church. She always gave constructive advise and was a true leader in whatever task she was involved in. She was a mentor to my daughter Malinda and we loved her dearly. May she rest in heavenly peace. To God be the Glory!

“ I knew Ginny only slightly when I was a young librarian at Prince George's County Memorial Library System but have vivid memories of her cheerful personality. Even in retirement, she seemed to always be busy doing some task for an organization or tutoring someone. She'd whisk into the library, chat for a bit, find what she was looking for, then whisk out again. I remember her fondly. Marian Figlio

*Ms Ginny was retired when I met her at Prince George's County Memorial Library System when she would need to use the only working typewriter at my Spauldings Branch . She always had a wide smile on her face and spoke so softly with grace. Ms Ginny got joy out of helping others wanting nothing in return. I never heard Ms Ginny or co-worker speak of a time when she had harsh words or have a negative interaction with anyone. She was a role model and pillar of the school and library systems. Her impression is forever engraved in our memory and hearts. Her living was not in vain. We have truly lost a trailblazer to soak up her wisdom.*

*Miss Ginny was a role model for kindness, professionalism, and love of everyone. She will be remembered for her smile, her cards of encouragement and thank you's, her love of the humanities and history being archived for her church, Delta Kappa Gamma's Alpha Chapter and educational materials being part of the Sumner School archives. She worked tirelessly and found ways to emphasize what was good, true, and beautiful. She was an accomplished woman, but she was never one to brag about her many honors and accomplishments. Missy Ginny may no longer of the earth, but her essence will long remain. May she rest in peace.*

*I loved working with Ginny as a librarian in the District of Columbia Public Schools and as President of the District of Columbia Association of School Librarians. I loved the way she approached any task set before her. She was always focused and determined to complete every task with excellence.*

“ Virginia, Ginny” , was such a sweetheart. She mentored me in the DC State Organization(DCSO) of Delta Kappa Gamma Society International. She was the State President of DCSO from 1997-1999. She served as the Archives and History Chair of DCSO up to the day she left us. She knew the history of DCSO and gave us the reason for doing everything according to tradition. I loved Ginny and she will be missed by many of her DCSO sisters.
