“ *Hi Hubert, I was so sorry to hear about Vivian's passing. I know marrying you made her very happy. I am grateful she had you to lean on during this difficult time in her life. She was a good person and had a very big heart! I wish her godspeed on her journey Home. Vee###imported-begin##Virginia Moxley###imported-end##*

“ *Dear Hubert,  
I am so sorry for your loss. Vivian and I go back to 20 years or more. She was a friend and we had grown closer through the years. She kept in touch and I was into HomeInteriors. She loved to decorate and was good at it. I had just sign her up in April to be a new consultant. We had talked that she had to hurry up and get well because we had so much work to do and fun we was going to have. I will never forget you Vivian. You was a strong woman. With all my love xoxoxoxoxoxoxoxo###imported-begin##GLORIA SMITH###imported-end##*
