“ *Mrs. Vivian Mom Vivian was my best friend for years and she called me her other daughter. I would call her every other day to check on her, bring my grandkids and daughter-in-law to vist. She had nice things to say, offer us something eat/drink and enjoyed seeing us. She was like another Mother to me I will miss her deeply. She would agrue with my Mother decreased saying Cookie is my daughter they would laughbut now both of them can watch over me now.##imported-begin##Edna Geter##imported-end##*

“ *Auntie will be greatly missed by all who loved and adored her. Those who have been threatened by her will miss her the most because we knew that every hit/punch/slap was nothing but true love. She will be remembered by all and has touched many lives, I am grateful to have been one of the lucky ones. She is at peace with the Father and is watching us to ensure that we will grow and heal from this lose. She loved her family always and never let us forget how special we all were to her. As we say goodbye to her let us not forget that she will still be in our hearts and in our lives, she is not struggling anymore and I am grateful for all she has done for me in my lifetime.##imported-begin##LaVonda Harris##imported-end##*
