“ My sincere condolences go out to the entire Vaughn family. I knew Mr. Vaughn from 15th Street Presbyterian church when I was a teenager. I grew up in church with the Vaughn children, Carl, Debbie, Derrick and Cheryl. Mr. Vaughn was instrumental as a role model to me and most of us in our upbringing through the church. He was involved with the youth of the church, especially the young men. He was one of the men of the church we listened to, took his advise and we respected. I remember how involved he was in many of the sports activities through the church we were involved in. We had a basketball at the church and played other Presbyterian churches. He would drive us to games, supported us, coached us and was always there for us. He was consistent, fair, patient with us overactive teens. He was such a great man in my eyes and as an adult I enjoyed seeing him and talking with him to hear that booming deep voice. My memories of him will be cherished and his presence will truly be missed. May he rest in peace.
