“ One of the very few good memories I had of a decent male figure was courtesy of this man. I remember the song he sang to me as an infant.

“ *My condolences to the Kaiser Family. Warren was one of my best buddies growing up. He lived on Taylor and I lived on fourth Sts. We also were high school classmates (Cardozo HS class of 56). We shared a lot of laughs and fun times together.*
REST IN PEACE MY FRIEND.

“ *The best thing about parents is that they may not be physically present but they are always here with us in the form of their children and family. Even though I didn't get to meet Mr. Kaiser personally, I know that I will get to know bits and pieces of him through his children and wife. Brandon shares many stories with me about his childhood and parents. The best one he has shared thus far is the when his mother and father came to visit him in Hawaii. Rest well Mr. Kaiser and know that you and your wife have raised a beautiful and loving family and that your spirit will live forever in them.*

“ *Dad, know words can explain the impact you have had on my life. You taught me so much. You taught the family so much. Those lessons will be passed down to the younger generation of the Kaiser Family. You will be missed but never forgotten. Love you Pop, your duty is done now, it's time for your son's and daughters to carry on the duties you taught us.*
