“ *When I was 7 years old Auntie Willa took me and a friend to eat at this delicious buffet. She let me have whatever I wanted, and later I bragged to my mother about how I got to eat nachos with no veggies. I loved Auntie Willa because of her gentle, kind spirit. She was very calm and had a quiet strength. During the years I have sometimes regretted that she had to endure so much pain. I understand now that God will only give us what we can handle. Auntie Willa will always remind me of the unwaivering strength that lies in all of us.###imported-begin##Setor Attipoe###imported-end##*
