“ We regret we can not be with you in person, but our hearts mourn the lost of your love one. William and I worked National Institutes of Health and became close friends

*shared many days together enjoying our work. William was a kind and humble man who loved and treated everybody with respect. He will be solely missed, but his life will remain in our memories over the years. God has taken him home to be with him. Although we mourn his loss, we all should strive to meet him in that getting up morning. May God bless and keep you and may your lives be enriched by william.*

*God has taken him home to be with him. We shout with joy that his soul is now resting with the lord.##imported-begin##Jasper & Marie Cummings##imported-end##*
