“ *Sincere condolences to the Family of Mr. William Gladden. I worked for Mr. Gladden for several years in the 1970s as his secretary/administrative assistant in the Contract Compliance Division of the U.S. Department of Agriculture (USDA) in Washington, D.C. He was a hard-working, tough boss, dedicated to civil rights and EEO. Mr. Gladden was instrumental in approving me for participation in USDA's upward mobility program. As a result of completing the program, I received a B.S. degree, continued to work in the civil rights/EEO fields, and retired from the federal government after 44 years of service. Mr. Gladden has had a positive influence on my career and life, and I am thankful to him.*
