“ *I was sadden to here this news . Bill had been on my mind to the point that I purchased a greeting to send . I just wanted to say hello but with all of my distractions unfortunately I never mailed the card . Billy Bob was the nickname that I called him , Bill was my first supervisor when I was hired at WGL and with his wisdom , kindness also his gentle spirit he helped me get through my probationary period to become a permanent employee I'm not sure that I would have made it without him . We shared plenty of laughs on Saturday mornings at the barber shop , James Jones and I would keep something going and when Bill walked in we would start on him RIP Mr. Johnson I will never forget you . To the Johnson family you have my sincere condolences , my prayer is that God will give you peace and comfort during your time of bereavement . Sincerely Kelly McAlpine Sr.*
