“ Thirty-Eight years, married into the Knight family through my wife Sonya Cork has been one of my greatest joys. My father-In-Love was a protector, encourager and provider for his family. Many days I spent with him as we dialogued over many subjects from the scriptures and the Faith to Civil Rights having read some of the same books. He was an dedicated and committed AA Sponsor to many within his circle always willing to walk that line to keep someone from relapsing testifying to all that his faith in God allowed him to celebrate 40 sober years. I enjoyed many of our Holiday gatherings at his home and rotating to the families where as a Chef he would taste and add his special touch to whatever was simmering or about to be placed on the Grill. I Loved my Father-In-Love for what he represented to me through the years and never having an argument between us. He was engaging and interested in my progression as a preacher and Pastor calling and offering words of advice and encouragement as the Lord lead him. His words demonstrated that he was well trained in communicating and pointing out the move of God in working out a process even when it seem difficult to comprehend. Years of patience and navigating through his own struggles gave him tremendous wisdom and I really appreciated our time together. Sleep on and we’ll see you in the morning. Prayers to Gloria, for Will and all their beautiful family and his many friends. As their neighbors, every time we looked over at their home, we thought of them and felt the love coming from both of them. We know God reached his hand out to Will and he took it. Will is with God now and we should be happy Will is home. God bless all those he has left behind, help them heal their sorrow, give them strength and love to go on with the life you have given them until it's their time to be with God. Love from your neighbors Richard and Joan
