“ *William R. Pridgen III*

“ *William Henry Pridgen III, better known to me as "Daddy." It's been eight years and I still can't believe he is really gone. My father was a family man who loved and cherished his immediate and extended family. He was a protector and a comedian. He was a devoted husband who would do anything for his wife (my mother) and was super supportive of his children (my brother and I). My father never missed an opportunity to tell me how much he loved me and how proud of me he was. It's that love that I will continue to carry in my heart all of the days of my life. I MISS YOU DADDY!!*

“ *I have know this man for 12 years , he was a loving neighbor ,a father figure for alot of kids in our neighborhood. I never had a disagreement with him not one time and he was always someone I could talk to about anything. He loved them Redskins , and we talked football all of the time. He will really be missed by alot of people. We love you Mr. Billy.*
