“ *Aunt Marion, Robyn, Eric, Lisa and family words cannot express our heart felt sympathy for your loss of such a beloved person. Whenever I visited Greater First Baptist and saw any of the family it warmed my heart, but when I would spot Uncle Bobby I would make a beeline to see him. He would squeeze my hand and give me that wonderful and contagious smile. Uncle Bobby will always hold a special place in my heart.*

“ While I know that Uncle Bobby is in a better place and rejoicing with his loved ones who have gone before him, I can't help but to feel sad today. Not so much that he is gone because Uncle Bobby ran his race and fought his fight". We have lost the last of a great generation of men that loved God, their family and their fellow man without question and instilled great pride in being a Washington man. He and others have left some huge shoes to fill and have expectations that we continue that legacy for generations to come. I for one feel extremely blessed to be a part of that legacy and having had the pleasure of calling him "Uncle Bobby".

Aunt Marion, Robin, Eric and Lisa may God continue to bless you and your families. There is no question that you all were the "apple of his eye" and a constant source of pride within his life. The Warren family will continue to pray for you every day and we can't wait to see you again to share in the stories of the great legacies that we all have been a part of. We love you!!!

“ Uncle Bobby there are no words to express what you mean to me. I enjoyed listening to your stories and I particularly enjoy when you your DAD, Brothers and Sister would come and visit with your DAD's Sister my GAMA. I was always delighted to see your smiling face in church as we were always ready to worship the Father.

Uncle Bobby your mansion was right ready and your title was clear. Enjoy the rewards of your heavenly home. I'm reminded of this song.... "When we all get to heaven what a day of rejoicing that will be, When we all see JESUS we will sing and shout the victory. We will see you again in that great getting-up morning!!!❤️

“ I first met Bobby back in the 50's when he was dating Marion. He had an apartment in Parkland in which he had stacks of jazz albums. He was a jazz aficionado who introduced me to that genre. He will be sorely missed.
Marion, you and your family have my deepest and sincerest sympathy for the lost of your loved one. May God bless you and your family.
