We love you Mr. Wharton. We enjoyed your insights and kindness and all you gave to the blind children of the National Federation of the Blind B.E.L.L. program. Thank you for all of the fun memories and conversations as our room mate down in Orlando, Florida during the NFB Convention. Your Spirit lives on within all you touched. Your physical presence, and your "one more question" will be missed at our gatherings. We will keep in contact with your family and continue advocating for others.

Your Friends, Forever

Mr. William Wharton I already know that you are the Major of Heaven, and heaven is rejoicing to hear your name. I also know that heaven has made you the executive comedian. I'm sure that you own many Popeyes heavens, Mr. Wharton you are truly the best. You also had characteristics of God, if you are hungry he fed you, no clothes he clothe you, no money he loan you \$\$, Be bless Wharton family, you have lost a ROCK!

“ *I have good memories of Mr. Wharton at The DC Center for Independent Living N.W., he used to come to our Mixed Group Support, and enjoyed so much been around everyone, he also created argumentative discussions with a big smile on his face, that makes me moved my head and laughs, but it was all that good experience for everyone, he was always ready to help somebody in need.*

Mr. Wharton... your life was a blessings, your memory a treasure and my mind knows that you are in a better place, where there is no pain, you are at peace. R.I.P.

“ To The Wharton Family. Very disheartening to hear of the loss of my beloved friend, Mr. Wharton. So many memories of this GREAT Man of GOD. Mr. Wharton will be missed by many. I will forever hold memories of you in my heart. Fly high, my friend. As we ended of conversations. "Loved You, PEACE".

*The sun shines down upon us
and gives us warmth and light.
Then when the day has ended,
it disappears from sight.*

*Though we're left in darkness,
we know the sun has not died,
for it is shining brightly
on the world's other side.*

*So it is when one we love
comes to their end of days.
They just go to the other side
to shine their loving rays.*

*That's why heaven is a place
that glows beyond compare.
The lights of those who've left us
are all brightly shining there.*
