“ *Dr. Willie Duff has been our neighbor for 10 years, from the time we moved into our home as newlyweds until her passing earlier this month. She always made us and our family feel welcome, and was especially affectionate with neighborhood children, including our grandchildren.*

*We are saddened and surprised that no obituary has been written or posted here or in the local newspaper, to pay adequate tribute to Dr. Duff's accomplished life and memory. In addition to work as an educator, she was an active member of her church home at John Wesley. During her illness, dozens of church members, former colleagues and neighbors looked in on her and prayed for her recovered health. She will be missed by all of us, and we are better for having known her.*

*To her family and loved ones, we extend our sincere condolences. Willie Esther Duff was a great lady, and you are blessed to have her among the ancestors whose spirits will follow you in the days to come.*

“ A rare and sacred Jewel of all jewels! My friend will be deeply missed by many. I will forever cherish the fond and unforgettable times we shared, just talking about any and everything. WILLIE cared so much and for so many people, her past students, fellow colleagues, neighbors, many friends, her church family and most importantly, she loved GOD!

*She was a lady with a heart richer than rubies and gold and a Lady of class! She gave of herself and resources to help others and supported countless projects of the community where there were needs and often when she saw the need as others did not.*

*To Catherine, Claire and other family and friends, I offer my prayers of comfort and love during this time of loss. My deepest sympathy to each of you. May the precious memories of Dr. Willie remain with you and may GOD grant strength you that will sustain you for the future. She is no longer suffering but resting eternally in peace with our Heavenly Father.*

*I regret that I can not share in person with you in this celebration of DR. DUFF'S life as I am travelling in BERLIN, GERMANY. Loving you dearly!*
