“ *My deepest sympathy for the family with your loss. I met Wilson when we worked at Creative Cakes. I would tell the owner that I did not particular like delivering the distance by my self, so she partnered me up with him. We had so many stories and experiences with delivering those cakes and he was such a good person to work with. Even after that company was sold he continued to work with me at my company. He was such a good person and a good friend. We will miss him very much. Now he is in God's hands.*
