“ *On behalf of the Wiggins family, I would like to express our deepest condolence to the family of Yvonne Anderson (Miss Cherry) as she was affectionately known to us. To my cousins I am sorry I am not able to be there in person but we will be participating in the live stream. We have so many memories to share from our days back in Jamaica. My siblings and I practically lived at her house. She was our second mother. She loved us unconditionally as her own. Yes she was indeed a great cook and we can never grow hungry in her house. She was a strong woman of faith. She endured a lot but she stood by her family always. She loved her kids they mean the world to her. There are so many things to share but time will fail me. I loved you in life and I loved you in death. Sleep on my beloved Miss Cherry until we meet again. Say hello to the others who have gone on before. RIP*

We're so sorry for your loss, please know that the family is in our prayers...also, remember that we don't mourn like the world do because we have the blessed hope that we will see our loved ones again. Therefore, I pray that the Lord will give you the peace that passeth all understanding.

It won't be long, when we'll be leaving this sinful earth. We who are alive, will be caught up to meet our father. Pray that we all will be there. Love you all.

"Just when you need him most Jesus is near to comfort and cheer, just when I need him most. Sis. Yvonne was in the same Sabbath School Class with me at First Church. God knows best and he does not give us more than we can bear. Be comforted by God's words. My condolences to the family, relatives, and friends.
