“ To Zella's Family

*I was truly surprised to learn about the death of Zella. I was searching on Marshall's website looking for my cousin's funeral arrangements when I saw Zella's picture. I was just talking to my mother Annie Mae about all the good times we had on M Street with our extended family throughout the building. Our prayer and thoughts are with you.*

“ Renee, Suzzette and Ginnie- my sincere thoughts and prayers are with you as Zella was truly a role model for me, a good friend, and an inspiration. She had such a profound impact on my life when meeting her 20 years ago. May God continue to bless you and her memories...##imported-begin##Karen Hardy##imported-end##
