“ Please accept our heartfelt sympathy on the passing of your mother. When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why Ms. Zettie left this earth so soon, or why she left before we were ready to say good-bye, but little by little, we begin to remember not just that she died, but that she lived. And that her life gave us memories too beautiful to forget.

Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. REMEMBER…to live in hearts we leave behind is not to die. Life is eternal, and love is immortal, and death is only a horizon; and a horizon is nothing save the limit of our sight.

Although we cannot be with you on Saturday, our thoughts and prayers will be there every step of the way. May the love of those around you help you through the days ahead.##imported-begin##Lynn & Wayne Mathis##imported-end##
